

Your Partner in Communication

May 2009

Dear Basic Cable Television customer,

In our efforts to keep you connected with the latest of technology and still offer high quality family programming, we have made some changes to our packages. The Movies and More package that is part of your current package will be moving to our digital frequency as of August 1st 2009.

During these changes, we would like to offer you the chance to experience our digital cable television for three months at the very same monthly rate you enjoy today. We will provide you with up to two of our Standard Digital Receivers for the trial period at no monthly charge to you., Along with the new Receivers, this three month trial will include our 'Anything But Basic' digital line-up, digital 'Movies' package and any other basic cable packages that you currently have, all for the same monthly rate you enjoy today.

Following your three month trial period we have developed the following exciting options for you to choose from:

Option A – You can keep you minimum basic cable package and add the new digital 'Movies' package for your existing monthly rates. This option will require one of our Standard Definition Receivers, which we can provide you with for a monthly rental rate of only \$4.95. The best part of this option? With the Nexicom Digital Receiver, you automatically receive 90 music channels for no charge.

Option B – You can move to our 'Anything but Basic' digital package starting at \$34.95/month and include our digital 'Movies' for your current rate of \$15.95/month. Included with this package is our entire basic cable line up and 90 music channels absolutely free! This option will also require the rental of our Digital Receiver at \$4.95/month.

Please plan to give us a call before August 1st to book your Digital Receiver installation appointment. The three month trial period will begin after your Receiver installation has taken place. **Should you not make arrangements to return your Receiver after the trial period we will assume that Option A has been chosen and begin to bill you accordingly at an addition rate of \$4.95/month per receiver.*

If you have any questions or to make the appointment for your three month trial, our friendly customer service staff can be reached at 775-nexi (6394)

Thank you for your continued patronage.

The Nexicom Team
